Equipment

We would suggest starting to buy your own equipment, we do have sets of bowls and shoes that can be used; however, it is paramount to have your own equipment.

We have many bowls, shoes, and other equipment available from Andy Knapper, the Club Manager, and on the “for sale” noticeboard by rink 7 that are available from current members; this is a great way of starting out. You can pick up bowls at a highly reduced price.

If you need advice on sets of bowls, then discuss with the coaching team or speak to Andy Knapper the Club Manager.

To buy new equipment you can contact Robert Newman a member who runs Cotswold Bowls in Mortimer, Robert will offer you great advice from his extensive knowledge

and experience, including being a former Commonwealth Games Bowls Gold medallist.

Cotswold Bowls Centre, established over 25 years, is a major specialist bowls retailer. The address is 32, Victoria Road, Mortimer, RG7 3SE. Telephone 0118 933 2916.

There are several other retailers online and shops that you can purchase equipment from as well as sites like EBAY.

If you are a total beginner, then it is possible to pick up bowls shoes from a discount store and a second-hand set of starter bowls for as little as £20-£30 each.

When starting out you will need the following:

- A set of bowls (4) in carrier
- Flat soled bowls shoes

Optional Equipment

- Measure
- Chalk

The coaching team will supply you with bowls for the coaching sessions. All you need to bring is flat soled shoes.

We are also running specialised coaching for 1:1 or small groups. If you wish to book a session, please contact John McKenzie on johnfmckenzie@gmail.com or 07817729117.

Practise

To enhance the skills, you have learned at coaching or elsewhere if you do not wish to take the coaching route then practise makes perfect.

Once you have joined as a member you can book a rink to have a practise, either on your own or with friends.

To book a rink you can check the rink availability calendar on the website or call the club to check times available.

To complete a booking, you need to ask at the front desk or bar or call the club on 0118 986 0759.

Rink fees

Please pay rink fees at the front desk or over the bar before going out to the rink.

To practise you will need your own set of bowls and shoes, however we do have some stock sets of bowls you can borrow from us. Remember: there is a large selection of second-hand bowls, shoes and other equipment displayed on the for-sale board by rink 7 with bargains to be had.

New Bowlers Practise and Social Sessions

To bring the new bowlers together we will run structured social/practise sessions. This is open to anyone who has joined in the last 2 seasons.

We will meet for a coffee in the lounge half an hour before the rink times shown below. The whole session will be supported by a member who can help with any queries and give guidance and support on club life and bowling matters.

We will then have a practise together, with formats to suit our new members. (Social members restricted to a maximum of 6 practise sessions).

A list is displayed in November/December on the main noticeboard opposite the front desk, where you can add your name if you wish to play in the league. It is available to men and ladies. Considering your preferences and a balance of abilities we organise the teams, so all you need to do is turn up to

the New Bowlers League Launch Meeting and meet your new team, this is a very sociable evening.

Webber

The Webber is an organised social/semi competitive rollup game. It is played on Monday, Wednesday, and Friday mornings. No need to book, no need to find others to play!

11.00am - 12.30pm

Summer Webber is two sessions.

9.30am - 11.00am

11.00am - 12.30pm

Weekend Webber

Please refer to the Managers noticeboard and the Webber noticeboard for the dates for the season.

Webber Structure

Turn up around 30 minutes before the session and pay your fee to the steward on the front desk, they supply you with a numbered ticket.

The steward will announce by Tannoy the format of the game, i.e., pairs, triples, or rinks. You swap your numbered ticket for a green or a black ticket showing a rink number. At that rink the green/black teams will decide who plays in which position. A score is kept on the scorecard during the game and handed in at the end of the game, the scores are then input, and you move up and down a league table throughout the season.

Friendly Matches

We have several home and away friendly matches against other clubs from around the country. These fixtures are displayed in the fixture list and on the website. If you wish to play in these games insert your name on the sheet displayed on the appropriate Men's, Ladies or Mixed noticeboard. Once we have the required number, the relevant captain will then select a team and publish it on the noticeboards, on the website and social media pages.

The friendly match includes a 4-hour match and a 2-course sit-down hot meal after the match (in the dining room for home matches).

Club Competitions/National Competitions

Within the club we run several Men's, Ladies', and Mixed Competitions; these are played during the season on a variety of days. To enter the Club Competitions, you must submit your entry form around the end of October, these will be displayed on the Competitions noticeboard. Once all the Competitions entries have closed, the Competitions Secretaries will draw the Competitions. The

draws will then be published on the noticeboards and website with the times and dates of the matches.

Playing a club competition varies dependent on the time slot required.

National Competitions are entered in March/April for the following season, the draws are published by the English Indoor Bowling Association (EIBA) over the summer and games are played on a home and away basis.

These are entered at the end of the winter season for the following season.

How the Club is managed

The elected Board of Directors are responsible for the management of Whiteknights Indoor Bowls Club Ltd. They run the business of the Club such as financial control, property maintenance, the bar and catering. Directors are elected at the annual general meeting (AGM) in January. The day-to-day running of the Club is the responsibility of the Club Manager, Andy Knapper.

Various working groups take responsibility for different areas of the Board's activities. All members are encouraged to join or advise these groups where they have skills useful to a particular area or more general skills such as IT or maintenance capability.

The Bowling group has been given the responsibility for all day-to-day bowling matters including liaison with County and National Bowling Associations.

Other working groups are responsible for Finance & Estates, Membership & Marketing and Operations.

Names and photographs of all our Directors, Bowls committee members and Coaches are displayed within the club.

Welcome to Whiteknights, we wish you many happy hours of bowling where you will meet new friends with whom to enjoy our many social and bowling activities.
